
VICTOR ONUCHUKWU OKEKE

+2347035553312 | onuchukwu.okeke@yahoo.com | Lagos, Nigeria

PROFESSIONAL SUMMARY

Microbiology graduate with solid laboratory research experience and a growing interest in software programming and computational biomedicine, motivated to apply data-driven and computational approaches to biomedical research.

WORK EXPERIENCE

Laboratory Attendant 2021 – 2022
Nice Diagnostic Laboratory

- Assisted in microbiological analysis of clinical samples for diagnostic purposes
- Performed routine laboratory procedures including staining, culture preparation, and microscopy
- Maintained laboratory hygiene, equipment sterilization, and biosafety standards
- Accurately recorded laboratory data and supported result documentation
- Supported senior microbiologists in daily diagnostic and quality control activities.

Freelance Web3 Sales 2024 – Date
Freelance web3 sales | Remotely

- Generated leads and closed sales for blockchain-based projects via Telegram outreach
- Engaged directly with founders and developers to pitch digital growth solutions
- Supported marketing campaigns aimed at increasing community engagement
- Built strong client relationships in a fast-moving startup environment

Achievements:

- I enhanced sales activities, generated over a \$100k in sales revenue
- Got promoted to a team lead due to my effectiveness

EDUCATION

B.Sc. (Microbiology) 2018-10-11 – 2024-03-31
University of Nigeria, Nsukka | Nsukka, Enugu State

SKILLS

MS Excel, Python, R, Basics of Linux/Unix (command line), Data Analysis, Javascript, Web Development, Basic biostatistics (mean, SD, t-test, ANOVA) Business Acumen with Soft Skills Critical Thinking, good team player, knowledge transfer and training skills, Teamwork, communication.

LANGUAGES

English (Fluent), Igbo (Native)

RESEARCH (UNPUBLISHED DRAFT)

- Prevalence of HIV/HBV amongst adolescence in Nsukka, Enugu State, Nigeria (B.Sc).
- Pediatric Tuberculosis: New approach to its diagnosis (B.Sc).

CERTIFICATIONS

- Introduction to Cyberscecurity, Networking Academy (Cisco)
- Python Language, Udemy (2026-09)

COURSES

- Network vulnerabilities, Privacy and Data Confidentiality, Threat detection - Networking Academy (Cisco)
